The rapture is the central event in biblical prophecy. But what does it mean for us today? How can this crucial end times event draw us nearer to God in a world that is seemingly on the brink of chaos? Political turmoil, economic uncertainty, an ideological divide that feels increasingly impassable—the signs of the times point us toward the end, and that can be disconcerting.

But the greatest truth about the rapture is not its timing, but its reality—for blessed are all who long for His appearing.

The Great Disappearance is a culmination of decades of Dr. Jeremiah studying end times throughout the Bible. In this definitive volume he will explain the meaning of the word rapture, the difference between the rapture and the second coming, and the joy of expecting our Savior to come at any given moment. Dr. Jeremiah will also explore key questions such as:

- Who will be raptured?
- When will it happen?
- What will happen to those left behind?
- What will believers experience when they are taken away to heaven?
- Will non-believers still have time to repent and be saved?

Dr. David Jeremiah is the founder of Turning Point, an international ministry committed to providing Christians with sound Bible teaching through radio and television, the Internet, live events, and resource materials and books. He is the author of more than fifty books, including *The Book of Signs*, *Where Do We Go from Here?*, and *The Great Disappearance*.
