

Ireland – Culture Smart!

The Essential Guide to Customs & Culture

By Alexandra Furbee

Most guidebooks on Ireland will tell you where to stay and what to see. *Culture Smart! Ireland* is written for people who want to know more and go deeper. Here you will find the beliefs and attitudes of the Irish, their rich musical and literary culture, their ancient language and mythology, the values they live by, how they do business, how they enjoy themselves, and the ways they have been molded by their tumultuous history and indeed their geography. This understanding will be appreciated by your hosts; it will open doors to you, even open the hearts of a generous, talented people, justifiably proud of their unique identity.

***Culture Smart!* guides are created to help travelers have a more meaningful and successful time abroad through a better understanding of the local culture. Chapters on values, attitudes, customs, and daily life will help you make the most of your visit, while tips on etiquette and communication will help you navigate unfamiliar situations and avoid faux pas.**

Alexandra Furbee, originally from Atlanta, Georgia, has lived in Ireland since 2014.
