## MEETING JESUS AGAIN FOR THE FIRST TIME

### The Historical Jesus and the Heart of Contemporary Faith

Of the many recent books on the historical Jesus, none has explored what the latest biblical scholarship means for personal faith. Now, in *Meeting Jesus Again for the First Time*, Marcus Borg addresses the yearnings of those who want a fully contemporary faith that welcomes rather than oppresses our critical intelligence and openness to the best of historical scholarship. Borg shows how a rigorous examination of historical findings can lead to a new faith in Christ, one that is critical and, at the same time, sustaining.

## READING THE BIBLE AGAIN FOR THE FIRST TIME

### Taking the Bible Seriously but not Literally

Many Christians mistakenly believe that their only choice is either to reconcile themselves to a fundamentalist reading of scripture (a literal-factual approach) or to simply reject the Bible as something that could bring meaning and value into their lives. In *Reading the Bible Again for the First Time*, Marcus Borg shows how instead we can freshly appreciate all the essential elements of the Old and New Testaments from Genesis to Revelation in a way that can open up a new world of intelligent faith.

## THE GOD WE NEVER KNEW

### Beyond Dogmatic Religion to a More Authentic Contemporary Faith

How to have faith or even think about God without having to stifle modern rational thought is one of the most vital challenges facing many of us today. Marcus J. Borg, author of the bestselling *Meeting Jesus Again for the First Time*, traces his personal spiritual journey to the discovery of an authentic yet fully contemporary understanding of God. In a compelling, readable way, he leads us from the distant, authoritarian God of our childhood to an equally powerful, dynamic adult image of God the beyond in our midst, the life spirit that is within us and all around us that reconciles faith with science, history, critical thinking, and religious pluralism.

## EVOLUTION OF THE WORD

### The New Testament in the Order the Books Were Written

By presenting the New Testament books in the order they were written, bestselling Bible scholar Marcus Borg reveals how spiritually and politically radical the early Jesus movement began and how it slowly became domesticated. Everyone knows the New Testament begins with the Gospel of Matthew, but how many people know it was actually one of the later books to be written—it was not even the first Gospel!

Marcus J. Borg, esteemed Bible scholar and bestselling author, shakes up the order of the New Testament as we know it by putting the books in a completely new order—the order in which they were written. By doing so, *Evolution of the Word* allows us to read these documents in their historical context. For the first time, see how the core ideas of Christianity took shape and developed over time.

Borg surveys what we know of the Jewish community of Jesus followers who passed on their stories orally. Borg offers helpful introductions for each book so that as we read through these biblical documents, spanning over a century in time, we see afresh what concerns and pressures shaped this movement as it evolved into a new religion. Readers will rediscover documents they thought they knew well by seeing them in an all-new setting. Borg's *Evolution of the Word* promises to change how we think about this historic work.
