By Benjamin Netanyahu

In Benjamin "Bibi" Netanyahu's "compelling" (*The Economist*) and "fascinating" (*The Wall Street Journal*) *New York Times* bestselling autobiography, the prime minister of Israel tells the story of his family, his path to leadership, and his unceasing commitment to defending his country and securing its future.

In this memoir Bibi weaves together his gripping personal story with the dramatic history of Israel and the Jewish people. Through a host of vivid anecdotes, he narrates his own evolution from soldier to statesman, while providing a unique perspective on leadership, the fraught geopolitics of the Middle East, and his successful efforts to liberate Israel's economy, which helped turn it into a global powerhouse of technological innovation.

Netanyahu gives colorful, detailed, and revealing accounts of his often turbulent relationships and negotiations with Presidents Clinton, Obama, and Trump. With eye-opening candor, he delves into the back channels of high diplomacy—including his struggle against the radical forces that threaten Israel and the world at large, and the decisive events that led to Israel's groundbreaking 2020 peace agreements with four Arab states.

Offering an unflinching account of a life, a family, and a nation, Netanyahu writes from the heart and embraces controversy head-on. Steely and funny, high-tempo and full of verve, this autobiography will stand as a defining testament to the value of political conviction and personal courage.

Benjamin Netanyahu is the Prime Minister of Israel, having been reelected in 2022 after previously serving from 1996–1999 and 2009–2021.
