THE ZIMZUM OF LOVE

A New Way of Understanding Marriage

Sunday Times bestselling author Rob Bell is joined in this book by his wife of twenty years, Kristen, to present a new way to make marriage work.

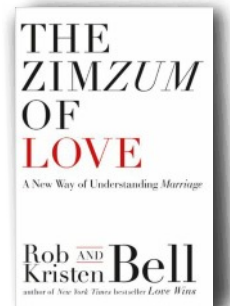

Marriage is complex because people are complicated. You think you're one. But then there are moments when it's shockingly obvious that you're two, with two opinions – whether over politics, childrearing or what you're going to watch on TV. So how do you stop yourself flaring up when you hit one of these relationship flashpoints and start seeing marriage as a chance for you to learn more about the person you want to know best of all?

Early on in their marriage Rob and Kristen experienced the struggles and fights that come to all couples. They still do. But they quickly learned that a great marriage needs to be focused and nurtured – and that fights should be as productive as possible!

In this inspiring and humorous insight into marriage, the popular husband and wife team explore communication, dealing with relatives, money, sex, petty fights, work and boundaries, as well as love, forgiveness, fidelity, faith and hope – because something special can happen when two people give themselves fully to each other.

With extensive discussion points in the endnotes, this easy-to-read book is invaluable for anyone searching for a happy, fulfilling relationship.

JESUS WANTS TO SAVE CHRISTIANS
A Manifesto for the Church in Exile

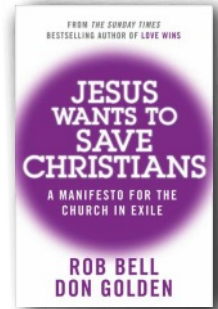

Rob Bell's highly-praised third book, *Jesus Wants to Save Christians*, is his most political yet. Published as part of the Rob Bell Classics relaunch, this is an inspiring call-to-arms for Christians to tackle poverty, inequality and oppression.

'There is a church not too far from us that recently added a £25 million addition to their building,' writes Rob Bell. 'Our local newspaper ran a front-page story not too long ago about a study revealing that one in five people in our city lives in poverty. This is a book about those two numbers.'

Jesus Wants to Save Christians is a book about faith and fear, wealth and war, poverty, power, safety, terror, Bibles, bombs, and homeland insecurity.

VELVET ELVIS
Repainting the Christian Faith

Perhaps more relevant than ever before, Rob Bell's *Velvet Elvis* is his original and bestselling classic. In *Velvet Elvis*, Bell invites readers to wrestle with their faith, and offers a radical new perspective on Jesus, the church, and Christianity today.

This new edition of *Velvet Elvis*, along with the relaunch of Rob Bell's three other classic works, offers what Rob does best: original and refreshingly personal perspectives on what Christianity is really about. "We have to test everything," writes Bell. "Do that to this book. Don't swallow it uncritically. Think about it. Wrestle with it. Just because I'm a Christian and I'm trying to articulate a Christian worldview doesn't mean I've got it nailed. I'm contributing to the discussion. God has spoken, and the rest is commentary, right?"

'God and sex go together. You can't separate the two', says Rob Bell, because this physical world is intimately linked to deeper spiritual realities. And so, in order to make sense of sexuality, at some point you have to talk about God. With beauty and unusual insight, *Sex God* explores this connection.
